- Straight Leg Attachment
Product Code: LEGATTS

How to use leg attachment to enclose a bench?

1. When assembling your bench, slide the leg attachments over the bench legs, followed by an undershelf or leg brace rail kit, then use grub screws supplied to secure them at your desired height.
2. After assembling the bench, you can then use screws to secure your panels in place.

Enclose a bench to create a mobile coffee cart.

Enclose a bench to create a servery.

Enclose a bench to create a counter.
