PRODUCT CODE: PIPE15030

Brayco Stainless Steel is made from 95% recycled materials

FEATURES AND BENEFITS

- **Construction:** Stainless steel.
- **Wall Brackets:** 2 wall brackets with fixings to the shelf (wall fixings not supplied).
- **Supplied Flat Pack:** Simple assembly required.
- **Other Sizes Available:** 600, 900, 1200, and 1800 mm

It is important that your stainless steel is kept clean to extend the lifetime of the product.

LOAD CAPACITY

These shelves can take a LOT of weight. However, the exact weight rating of each wall shelf depends primarily on the following factors –

- How it is attached to a wall (e.g. the type/size of screws, bolts and/or wall plugs)
- The type of wall you are fixing the shelf to – plasterboard, concrete, single or double wall, etc.

A shelf mounted to something solid (like wall studs or masonry block) will maintain a much higher weight capacity than a shelf fixed to Gyprock, for example.

Please Note: Longer wall shelves have a middle bracket for extra strength, please ensure you fit these.
