### Shipping Dimensions:

2440 x 240 x 50mm

**Shipping Weight:** 12.6kg

### Material:

Top Bars: 201 grade stainless steel

Brackets: 430 grade stainless steel

### FRONT

**PRODUCT CODE:** PIPE24045

Brayco Stainless Steel is made from 95% recycled materials

### TOP

### FEATURES AND BENEFITS

- **Construction:** Stainless steel.
- **Wall Brackets:** 2 wall brackets, supplied with screws to secure the 5 pipes. Wall fixing not supplied.
- **Supplied Flat Pack:** Simple assembly required.
- **Other Sizes Available:** 600, 900, 1200, 1500, 1800 and 2000 mm

### SIDE

It is important that your stainless steel is kept clean to extend the lifetime of the product.

### LOAD CAPACITY

These shelves can take a LOT of weight. However, the exact weight rating of each wall shelf depends primarily on the following factors –

- How it is attached to a wall (e.g. the type/size of screws, bolts and/or wall plugs)
- The type of wall you are fixing the shelf to – plasterboard, concrete, single or double wall, etc.

A shelf mounted to something solid (like wall studs or masonry block) will maintain a much higher weight capacity than a shelf fixed to Gyprock, for example.
