**PRODUCT CODE:** SHSS4030

Brayco Stainless Steel is made from 95% recycled materials

### FEATURES AND BENEFITS

- **Construction:** Stainless steel.
- **Wall Brackets:** 2 wall brackets, supplied with screws for secure attachment. Longer shelves have a middle bracket for extra support. Wall fixing not supplied.
- **Supplied Flat Pack:** Simple assembly required

Also available:

- **Other Sizes:** 600, 900, 1200, 1500, 1800, 2000 and 2400 mm
- **Corner Shelf:** Make maximum use of your wall space with a corner shelf.
- **450 mm Deep Shelves:** Deep enough for a microwave.

### LOAD CAPACITY

These shelves can take a LOT of weight. However, the exact weight rating of each wall shelf depends primarily on the following factors –

- How it is attached to a wall (e.g. the type/size of screws, bolts and/or wall plugs)
- The type of wall you are fixing the shelf to – plasterboard, concrete, single or double wall, etc.

A shelf mounted to something solid (like wall studs or masonry block) will maintain a much higher weight capacity than a shelf fixed to Gyprock, for example.

Please Note: Longer wall shelves have a middle bracket for extra strength, please ensure you fit these.
